Out-of-hours works
Various sites
Wagga Wagga Precinct
November - December 2026

To continue construction works in the Wagga Wagga precinct, some work will take place outside standard construction hours on selected Tuesdays and Thursdays between November and December 2026.

Out-of-hours work is approved to occur between 7am and 10pm. Most works are expected to finish by 8pm each day; however, some activities may continue until 10pm if required to safely complete the planned work.

Hours of Work

- **6pm - 10pm** Tuesday 17 November
- **6pm - 10pm** Thursday 19 November
- **6pm - 10pm** Tuesday 24 November
- **6pm - 10pm** Thursday 26 November
- **6pm - 10pm** Tuesday 1 December
- **6pm - 10pm** Thursday 3 December
- **6pm - 10pm** Tuesday 8 December
- **6pm - 10pm** Thursday 10 December
- **6pm - 10pm** Tuesday 15 December
- **6pm - 10pm** Thursday 17 December
- **6pm - 10pm** Tuesday 22 December

Work Location

- Edmondson Street bridge
- Pearson Street underpass
- Cassidy footbridge
- Mothers Bridge
- Bomen Yard
- Harefield Yard

Work being done

Activities will include:

- Construction and finishing of bridge abutments, headstocks, piers and deflection walls.
- Reinforcement, formwork, beam and concrete pours, curing, stripping, patching and finishing works.
- Installation, adjustment and removal of scaffolding and temporary access.
- Crane mobilisation, setup and lifting activities associated with bridge construction.
- Reinforced-soil wall and bridge approach works.
- Structural steel install
- Footbridge ramp fit out works over track.
- Shoulder reconstruction
- Signalling disconnection and reconnection works as required

What can I expect?

- Intermittent periods of increased noise from construction activities including deliveries, concrete pours and lifting activities.
- Additional construction vehicles entering and leaving site compounds.
- Traffic control and site signage where required to support safe vehicle movements.
- Lighting towers operating during the evening work period to provide safe working conditions.

Machinery used

Machinery will be selected to safely perform the construction activities and may include cranes, delivery trucks, concrete trucks and pumps, elevated work platforms, lighting towers, water carts, small plant, and hand and power tools.

How we're managing impacts

- Works will be limited to the notified hours and planned so noisier activities are completed as early as practicable.
- If required, approved and professional asbestos removal in accordance with safety requirements
- Equipment will be switched off when not in use, and unnecessary idling and excessive vehicle movements will be avoided.
- Lighting will be positioned and directed away from nearby properties where practicable.
- Water carts will be used as required to manage dust, and site access points will be maintained.
- On-site noise monitoring will be undertaken during the works to check compliance with Environment Protection Licence 21984.

Cancellation of works

Works can sometimes be cancelled at short notice depending on weather and other factors. Should this occur, works will be rescheduled.
