

The seventh meeting of the Scenic Rim Community Consultative Committee was held in Peak Crossing on Thursday, 23 May 2019.

This Chair's summary provides an overview of the committee meeting and ensures that information is shared with the community at the earliest opportunity. It is a precursor to the formal meeting record, the committee meeting minutes, which will be published on the Inland Rail website following preparation and endorsement by the committee Chair.

The meeting was chaired by Mr John Brent in the absence of Ms Kathy Baburin and attended by 11 of the 13 local community representatives, appointed as members of the committee. Six observers attended the meeting.

The purpose of the meeting was to provide an update on the project with specific focus to the status of the Environmental Impact Statement for Calvert to Kagaru.

Presentations were provided by the Calvert to Kagaru (C2K) project team.

Information provided to the committee included:

- ▶ An update on the proposed Calvert to Kagaru rail alignment and status.
- ▶ Environmental Impact Statement (EIS) overview with reference to:
 - Approval process
 - How to comment on the EIS
 - What Inland Rail has left to complete on the EIS
 - Air quality
 - Noise and vibration
 - Landscape and visual amenity
 - Traffic
 - Flora and fauna
 - Surface water, hydrology and groundwater
 - Land resources, land use and tenure
 - Heritage
 - Waste
- ▶ Noise habituation
- ▶ Social performance
- ▶ Community engagement
- ▶ Interactive map overview.
- ▶ Can Inland Rail use SMS as an option to disseminate information?
- ▶ Send link of Calvert to Kagaru project flythrough to CCC members
- ▶ Query Australia Post delivery of newsletters in Rosewood area
- ▶ Provide next round of community grant information so CCC can share with the community
- ▶ Inland Rail to confirm if Mount Flinders has a visualisation prepared as part of the EIS and advise criteria for visual impact assessment.
- ▶ Where are artefacts relocated when found? Which museums?
- ▶ What consideration is the project team looking at using plants to hide infrastructure?
- ▶ Inland Rail to provide information to CCC on Mental Health Partnership
- ▶ What is the economic impact for businesses?

Committee members raised the following actions during the meeting:

- ▶ Inland Rail to provide a date for the joint Business Chamber meeting
- ▶ Send flora fauna workshop dates to CCC members
- ▶ Inland Rail to provide update following Community Consultation in May

The next Scenic Rim Community Consultative Committee meeting will be held in **Rosewood on Thursday 22 August 2019 from 6.00-8.00pm.**

Venue location will be advertised on the ARTC website.

Mr John Brent
Chair
