

PARKES TO NARROMINE INLAND RAIL

**NOTIFICATION
No. 11, March 2019**

Level crossing upgrades and temporary closures – Wards Lane

Inland Rail is a once-in-a-generation project connecting regional Australia to domestic and international markets. Australian Rail Track Corporation (ARTC) has engaged INLink (a joint venture between BMD Constructions and Fulton Hogan) to upgrade and build the first section of the Inland Rail, from Parkes to Narromine.

Temporary Road Closures

As part of the work we are upgrading level crossings between Parkes and Narromine. While we do this, we need to temporarily close public roads.

Timing and location of temporary road closure:

Wards Lane

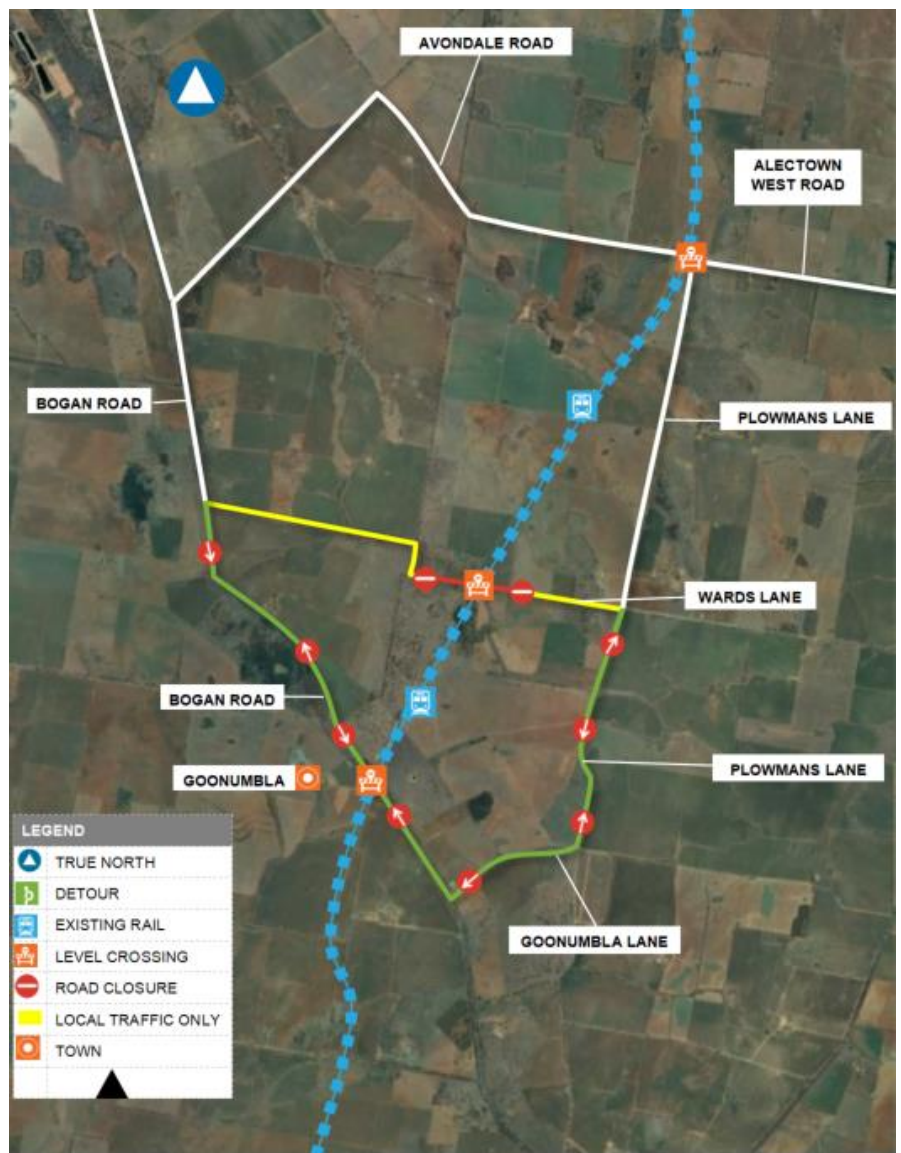

- Between Bogan Road and Plowmans Lane, Goonumbla
- From **Wednesday 20 March 2019 to Sunday 2 June 2019**

Road Detour:

A detour will be in place during the closure. This is via Plowmans Lane, Goonumbla Lane, and Bogan Road.

More information about our work is over the page.

DETOUR MAP

PARKES TO NARROMINE INLAND RAIL

NOTIFICATION
March 2019

What we will be doing

- Remove existing rail and sleepers
- Install drainage and culverts
- Build road formations and new plate over rail
- Install new gravel (ballast), sleepers and rail, and then tamp (adjust) rail into place
- Install permanent signage and fencing

What to expect

- Traffic management with detour signage will be in place to assist those impacted by this road closure
- During the work there will be heavy vehicles travelling to and from the work sites
- Access to private properties will be maintained to either end of the road closure

Work hours

Our standard working hours are between:

7:00 am to 6:00 pm Monday to Friday

8:00 am to 1:00 pm Saturday.

If work is required outside these hours, impacted residents will be notified in advance.

In some places we will be working on private property. We will consult with the landowner about the details of our work and seek permission before this occurs. ARTC and our contractors will not enter private property without landowner permission.

There will be an increase in noise and traffic movements in the area during our works. Every effort will be made to minimise impacts to the surrounding community.

We appreciate your understanding as we build this once-in-a-generation project. We can be contacted **24 hours a day, 7 days a week on 1800 732 761.**
