Level Crossing upgrades and temporary closures – Barrabadeen Creek Road

Inland Rail is a once-in-a-generation project connecting regional Australia to domestic and international markets. Australian Rail Track Corporation (ARTC) has engaged INLink (a joint venture between BMD Constructions and Fulton Hogan) to upgrade and build the first section of the Inland Rail, from Parkes to Narromine.

Temporary road closures

As part of the work we are upgrading level crossings between Parkes and Narromine. While we do this, we need to temporarily close public roads.

Timing and location of works:

Barrabadeen Creek Road (Unnamed Lane), Peak Hill

- ▶ Between Newell Highway and Bulgandramine Road
- ▶ From **Monday 29 July 2019** until **Monday 23 September 2019**

What we will be doing

- ▶ Remove existing rail and sleepers
- ▶ Install drainage and culverts

- ▶ Build road formations
- ▶ Construct level crossing (concrete treatment)
- ▶ Install new gravel (ballast), sleepers and rail, and then tamp (adjust) rail into place
- ▶ Install fences and permanent signage

What to expect

- ▶ Traffic management with detour signage will be in place to assist those impacted
- ▶ During the work there will be heavy vehicles travelling to and from the work sites
- ▶ Access to private properties will be maintained

Community safety

- ▶ All work areas will be protected or fenced to ensure safety to the public
- ▶ Our sites will be clearly signed to identify work zones, and the community will be notified where required
- ▶ Upgrading of level crossing
- ▶ A second short term closure will be required for the final rail works to be completed in the future

Work hours

Our standard working hours are between:

7:00 am to 6:00 pm Monday to Friday

8:00 am to 1:00 pm Saturday

If work is required outside these hours, impacted residents will be notified in advance.

We appreciate your understanding as we build this once-in-a-generation project. We can be contacted **24 hours a day, 7 days a week on 1800 732 761.**
