Inland Rail is a once-in-a-generation project connecting regional Australia to domestic and international markets. Australian Rail Track Corporation (ARTC) has engaged INLink (a joint venture between BMD Constructions and Fulton Hogan) to upgrade and build the first section of the Inland Rail, from Parkes to Narromine.

#### Temporary Road Closures

As part of the work we are upgrading level crossings between Parkes and Narromine. While we do this, we need to temporarily close public roads.

#### Timing and location of works:

#### What we will be doing
