PARKES TO NARROMINE

PROJECT NOTIFICATION

#61 | OCTOBER 2019

Road work – Wilsons Lane, Narromine

Inland Rail is a once-in-a-generation project connecting regional Australia to domestic and international markets. Australian Rail Track Corporation (ARTC) has engaged INLink (a joint venture between BMD Constructions and Fulton Hogan) to upgrade and build the first section of the Inland Rail, from Parkes to Narromine.

As part of this some of our vehicles will use Wilsons Lane and the McGrane Way. As a result, we will be upgrading the intersection of Wilsons Lane and The McGrane Way/ Tullamore Narromine Road.

While we upgrade this intersection, there will be delays entering and exiting Wilsons Lane from **16 October 2019**

Timing and location of works:

- ▶ At the Intersection of Wilsons Lane and The McGrane Way/Tullamore Narromine Road
- ▶ From **16 October 2019** until the completion of works

What we will be doing

- ▶ Upgrade the Wilsons Way and The McGrane Way/Tullamore Narromine Road intersection to improve safety
- ▶ Implementing traffic controls during the work

What to expect

- ▶ During the work there will be heavy vehicles travelling to and from the work sites
- ▶ There will be construction machinery working on the intersection

- ▶ Access to private properties will be maintained

Community Safety

- ▶ Traffic controls will be implemented
- ▶ Our sites will be clearly signed to identify work zones, and the community will be notified where required

Work hours

Our standard working hours are between:
7:00 am to 6:00 pm Monday to Friday
8:00 am to 1:00 pm Saturday.
