PROJECT NOTIFICATION

#71 | NOVEMBER 2019

Level Crossing upgrades and temporary closures – Wyanga Road, Narromine

Inland Rail is a once-in-a-generation project connecting regional Australia to domestic and international markets. Australian Rail Track Corporation (ARTC) has engaged INLink (a joint venture between BMD Constructions and Fulton Hogan) to upgrade and build the first section of the Inland Rail, from Parkes to Narromine.

Temporary road closures

As part of the work we are upgrading level crossings between Parkes and Narromine. While we do this, we need to temporarily close public roads.

Wyanga Road closure will be extended to install the new rail, eliminating the need for a second closure in the future. Wyanga Road will now remain closed until mid-December 2019.

Timing and location of works:

Wyanga Road, Narromine

- ▶ Between Tomingley Narromine Road and Peak Hill Railway Road
- ▶ **Extended to mid-December 2019**
- ▶ Road detour will be via – Peak Hill Railway Road, Tinks Lane and Tomingley Narromine Road
- ▶ As soon as the works are completed, the road will be reopened.

What we will be doing

- ▶ Laying new rail and sleepers
- ▶ Build road formations and new plate over rail
- ▶ Welding rail into place
- ▶ Install new gravel (ballast), tamp (adjust) rail into place
- ▶ Install permanent signage and fencing

What to expect

- ▶ Traffic management with detour signage will be in place to assist those impacted
- ▶ During the work there will be heavy vehicles travelling to and from the work sites

Community safety

- ▶ All work areas will be protected or fenced to ensure safety to the public
- ▶ Our sites will be clearly signed to identify work zones, and the community will be notified where required
- ▶ Once rail has been installed in each section, the rail will be 'live' and construction trains will be intermittently passing across the level crossing. For your continued safety, please ensure you obey all signage at level crossings.

Work hours

Our standard working hours are between:

7:00 am to 6:00 pm Monday to Friday

8:00 am to 1:00 pm Saturday

If work is required outside these hours, impacted residents will be notified in advance.

We appreciate your understanding as we build this once-in-a-generation project. We can be contacted **24 hours a day, 7 days a week on 1800 732 761.**
