

Design changes at Cunningham Highway

ARTC

INLAND
RAIL
An Australian Government Initiative

The Inland Rail Calvert to Kagaru project team has consulted with the community on the proposed project design since 2017.

The proposed change at this location is a result of extensive discussions between ARTC Inland Rail and the preferred bidder to produce a design that reduces traffic impacts at Cunningham Highway during construction.

Cunningham Highway changes

- Reference design had a road over rail bridge.
- This changes to a rail over road bridge.
- Reduces construction impacts.
- Reduces traffic impacts.
