

Beaconsfield Parade bridge works

Glenrowan

March 2024

McConnell Dowell has been engaged by the Australian Rail Track Corporation (ARTC) to undertake construction for the Inland Rail project.

Work being done

Construction of the new Beaconsfield Parade bridge will be completed this month.

Following the opening of the new bridge, works during March will include removal of the old Beaconsfield Parade bridge, installing new street lighting and preparing for the installation of pedestrian handrails and anti-throw screens.

Minor water main works around the bridge near Siege Street will also occur.

Other works include excavations and piling for the deflection walls and construction of local roads and footpaths.

Turn over for map of traffic and pedestrian changes.

Round-the-clock works will also be undertaken during a track possession between **6am Saturday 9 March and 6pm Monday 11 March.**

Construction areas in Glenrowan during March 2024

What can I expect?

- **Construction work between 7am-6pm Monday to Friday, and 7am-5pm weekends**
- Traffic and pedestrian access via the new Beaconsfield Parade bridge after opening resulting in no access to Siege Street from Beaconsfield Parade
- Heavy machinery and equipment operating onsite
- Delivery of materials and equipment
- Trucks and other vehicles entering and exiting the construction site may cause minor traffic delays
- Limited access to the northern-end of Woolshed Road other than to local businesses and residents
- Temporary streetlighting in place to assist pedestrians crossing the new bridge.

Machinery used

- Trucks, cranes, excavators, concrete trucks and pumps, loaders, and light vehicles will be used within the works area.

How we're managing impacts

- Water carts will be onsite to wet down areas to assist in managing dust
- Traffic controls will be in place, where required, including Variable Message Signage (VMS) boards
- Live monitoring of noise, dust, and vibration.

Thank you for your patience and cooperation while we carry out these works. For any concerns or enquiries phone 1800 929 244 or email victoriaprojects@artc.com.au.

We are pleased to invite you to celebrate the opening of the new Beaconsfield Parade bridge.

As part of the celebrations, you'll have the unique opportunity to walk across the bridge before it opens to traffic. Light refreshments will be provided following the formalities.

Traffic changes

- Vehicles will use the new Beaconsfield Parade bridge.
- Siege Street will become a 'no through road'.
- Pedestrians will use the new bridge shared user path and temporary pedestrian pathway along Siege Street. Works are continuing to complete the connecting footpaths and provide improved access to Glenrowan's key heritage sites.
