Seymour-Avenel Road bridge works Seymour
# 6am 9 March - 6pm 11 March 2024

McConnell Dowell has been engaged by the Australian Rail Track Corporation (ARTC) to undertake construction for the Inland Rail project.

Work being done

McConnell Dowell will demolish the Seymour-Avenel Road bridge during a track possession **between 6am Saturday 9 March and 6pm Monday 11 March**.

Cranes will be used to remove the Seymour-Avenel Road bridge, which will then be demolished including the bridge deck, central bridge pier and abutments.

Trains will not be running during the round-the-clock works. For changes to passenger services, visit **vline.com.au**

Seymour-Avenel Road work areas 9-11 March 2024

What can I expect?

- **Round-the-clock works 6am Saturday 9 March and 6pm Monday 11 March**
- Trucks and other vehicles entering and exiting the construction site, may cause minor traffic delays
- Noise from construction machinery and equipment operating onsite
- Approved vegetation removal within the project area
- Delivery of materials and equipment
- Business and local traffic access to Granville Drive will be maintained
- Use of generators and light towers during night works.

Machinery used

- Heavy and light vehicles including trucks, cranes, loaders, excavators and rollers will be used within the works area.

How we're managing impacts

- Water carts will be onsite to wet down areas to assist in managing dust
- Traffic management will be in place to ensure safe access for all road users where required
- Environmental controls will be in place
- Directing light towers away from residential properties.

For any concerns or enquiries phone 1800 929 244, email victoriaprojects@artc.com.au

Thank you for your patience and cooperation while we carry out these works.
