

# Water mains relocation works Wangaratta Station 8-29 February 2024

McConnell Dowell has been engaged by the Australian Rail Track Corporation (ARTC) to undertake construction for the Inland Rail project.

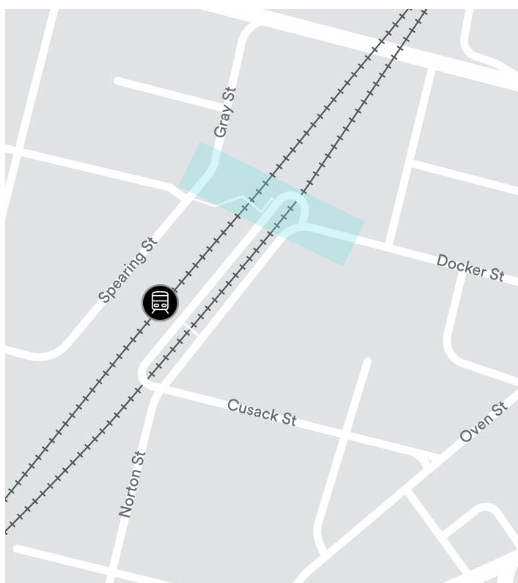

## Work being done

Water mains relocation works are being undertaken as part of the Wangaratta Station upgrade.

Works include installing and connecting underground water mains to existing services in Gray Street and Docker Street, close to the railway precinct.

Ground excavation will occur between the station precinct and the footpath of Docker Street and across a section of Gray Street. Traffic management will be in place which may result in some delays.

North East Water will notify residents of any water outages occurring during these works.

Area of water mains works occurring during February

## What can I expect?

- Works will occur between 7am-7pm Monday to Friday and 7am-5pm Saturdays
- Possible Sunday works between 7am-5pm, if required
- Approved vegetation removal within the project area
- A section of footpath on the station side of Docker Street will be closed, with a pedestrian detour in place during the works
- Traffic management and reduced speeds, may cause delays
- Ground excavations in various locations
- Trucks and other vehicles entering and exiting the construction site
- Noise from construction machinery and equipment operating onsite.

## Machinery used

Heavy and light vehicles including trucks, excavators, asphalt cutters, non-destructive digging trucks and compaction rollers will be used within the work areas.

## How we're managing impacts

- Traffic management will be in place to ensure safe access for all road users and pedestrians, where required
- Ensuring access to driveways is maintained
- Reducing vehicles required onsite.

Thank you for your patience and cooperation during this activity.
