

Seymour-Avenel Road bridge works

Seymour

May 2024

McConnell Dowell has been engaged by the Australian Rail Track Corporation (ARTC) to undertake construction for the Inland Rail project.

Work being done

McConnell Dowell will continue construction works in and around the Seymour-Avenel Road bridge site in Seymour during May.

Works will involve ongoing earthworks and concrete formwork for the new bridge abutments.

Work will also start on the approach roads either side of the bridge.

 Seymour-Avenel Road work area during May 2024

What can I expect?

- **Construction work 7am-6pm Monday to Friday, and weekends 7am-5pm**
- Construction noise during daylight hours, with mitigation measures in place
- Business and local traffic access to Granville Drive will be maintained
- Trucks and other vehicles entering and exiting the construction site, may cause minor traffic delays
- Approved vegetation removal in the project area
- Heavy machinery and equipment operating onsite
- Delivery of materials and equipment
- Seymour-Avenel Road bridge closed, with detour in place via Avenel Road.

Machinery used

- Heavy and light vehicles including trucks, cranes, loaders, excavators and rollers will be used within the works area.

How we're managing impacts

- Water carts will be onsite to wet down areas to assist in managing dust
- Traffic management will be in place to ensure safe access for all road users where required
- Environmental controls in place.

For any concerns or enquiries phone 1800 929 244, email victoriaprojects@artc.com.au.

Thank you for your patience and cooperation while we carry out these works.
