

Wangaratta Station Precinct works

Extended hours

3am-11pm Monday 6 May 2024

McConnell Dowell has been engaged by the Australian Rail Track Corporation (ARTC) to undertake construction for the Inland Rail project.

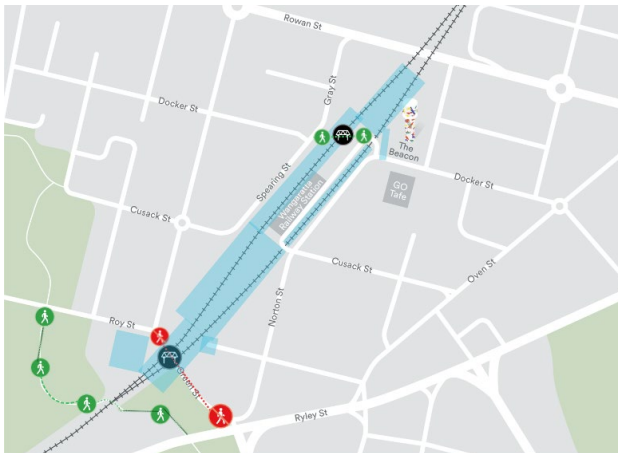

Work being done

McConnell Dowell will undertake works at Green Street bridge and the Wangaratta Station during a track possession between 3am-11pm on Monday 6 May.

Works include the demolition of the Green Street bridge west abutment and cutting and removal of the top of the east abutment.

Station precinct works will include drainage installation and preparations for the new pedestrian underpass pump station, and construction and backfilling of the new western platform.

Work areas during 18-hour track possession on 6 May 2024

What can I expect?

- **Construction work from 3am-11pm Monday 6 May**
- Noise from construction machinery and equipment operating onsite
- Trucks and other vehicles entering and exiting the work site
- Ground excavations in various locations
- Approved vegetation removal within the project area
- Pedestrian access across the rail line via the Docker Street footbridge
- Green Street bridge closed between Norton Street and Roy Street West, with detours in place
- Traffic management in and around Green Street, Cusack Street, Roy Street West, Spearing Street and Norton Street, when required which may cause minor traffic delays.

Machinery used

Heavy and light vehicles including piling rig, concrete pump trucks, wall saw, trucks, cranes, dump trucks, loaders, excavators, rollers will be used within the work areas.

How we're managing impacts

- Traffic management in place to ensure safe access for all road users and pedestrians, where required
- Environmental controls in place including live monitoring of noise, dust and vibration.
