

Station precinct works and pedestrian underpass closure Benalla

1 to 30 June 2025

**JOHN
HOLLAND**

John Holland will continue works within the Benalla Station Precinct during June.

Work being done

- Demolition of pedestrian underpass on Railway Place side of rail track in late June
- Utility relocations and connections
- Removal of redundant track and signalling infrastructure
- Approved tree and vegetation removal
- Delivery of construction materials, rail and sleepers.

What can I expect?

- **Works 7am-6pm Monday to Friday and 7am-1pm Saturdays**
- **Closure of the pedestrian underpass between Railway Place and the station access ramp in late June. A pedestrian detour will be in place, see map over page**
- Traffic management in some locations where works are occurring close to roads. Reduced speed limits of 40km/h near works
- Nearby residents may experience some noise and vibration during this time and can expect some additional construction workers and vehicles in the area.

Machinery used

Non-destructive digging truck, excavators, cranes, tippers, concrete trucks, elevated work platforms, rail train, trucks and support vehicles.

How we're managing impacts

- Pedestrian and vehicle access to station maintained from Mackellar Street
- Traffic management and reduced road speeds
- Wayfinding signage in place along pedestrian detour
- Environmental controls will be in place.

Cancellation of works

Works can sometimes be cancelled at short notice depending on weather and other factors. Should this occur, works will be rescheduled.
