

Site establishment and survey works

Wandong

1 to 30 June 2025

John Holland will continue to establish project worksites and undertake surveys and investigations in Wandong during June.

Work being done

Site establishment at 31-33 Broadford-Wandong Road and 765 Wandong Road

- Demolition of a vacant house at 765 Wandong Road
- Hardstand and piling pad construction
- Site shed installation and utility connections
- Fencing and approved vegetation removal.

Surveys, investigations and ground works

- Surveys, investigations and ground works will be undertaken to understand local ground conditions and to locate, map and relocate underground services at various locations, including along Broadford-Wandong Road, Wandong Road, Rail Street, Epping-Kilmore Road and within Pickett Walk and the rail corridor. These works are expected to continue throughout the year.

What can I expect?

- **Works 7am-6pm Monday to Friday and 7am-1pm Saturdays**
- **Extended work hours Monday 16 and 30 June 4.30am-7.30pm.** Impacted residents will be contacted prior
- Traffic management and reduced speed limits where works are occurring close to roads
- Medium levels of noise with some high levels of noise at times. Nearby residents may notice some vibration.

Machinery used

Non-destructive digging truck, small truck mounted drill rig, excavators, tipper trucks, cranes, compaction rollers, support vehicles, loaders, graders, concrete trucks, workers using hand tools and survey equipment, traffic management equipment and signage.

How we're managing impacts

- Traffic management and reduced road speeds
- Environmental controls in place for noise, dust and vibration
- An arborist and qualified wildlife handler will assess all trees before removal.

Cancellation of works

Works can sometimes be cancelled at short notice depending on weather and other factors. Should this occur, works will be rescheduled.
