#### What can I expect?

- Heavy vehicle movements
- Properties near the sites can expect to hear additional noise from construction work
- Movements of heavy vehicles and equipment
- Loading, unloading or moving equipment and materials

#### How we're managing impacts

- Traffic controls will be in place to assist motorists where required
- Water carts will be on-site to wet down areas to assist in managing dust.
- Works programmed to best minimise noise impacts.
- Use of non-tonal reversing alarms on all equipment and turning off equipment when not in use.
- Regular maintenance of plant and equipment to reduce emissions.
- Instructing workers to keep noise to a minimum and being respectful of our neighbours, including parking away from residences.
- Works will be monitored to ensure compliance with Project Approval and Heritage Approval Conditions.
