

Bridge works

Hamilton Street bridge, Broadford

1 to 31 August 2025

including night works

**JOHN
HOLLAND**

John Holland will continue construction of the new Hamilton Street bridge in August. These works require long-term temporary traffic changes.

Work being done

- Construction of the new Shared Use Path (SUP) adjacent to the existing bridge
- Utility relocations and connections
- Demolition of 49 Ferguson Street
- Approved tree and vegetation removal.

What can I expect?

- **Works 7am-6pm Monday to Friday and 7am-1pm Saturdays**
- **Round-the-clock and night works will occur intermittently in August.** Impacted residents will be notified
- Long-term temporary traffic changes will continue, including shuttle flow across Hamilton Street bridge
- Single lane shuttle flow will be transferred to the new SUP section of the Hamilton Street bridge, when completed
- Traffic management, reduced road speeds and vehicle and pedestrian detours
- Residents impacted by interruptions to property services from utility relocation works will be notified by the service provider
- Nearby residents may experience some noise and vibration.

Machinery used

Non-destructive digging truck, excavators, tipper trucks, cranes, piling rigs, compaction rollers, loaders, graders, concrete trucks, delivery truck and

trailers, rollers, workers using hand tools, traffic management equipment, and survey equipment.

How we're managing impacts

- Traffic management and reduced road speeds
- Wayfinding signage along detours
- Environmental controls will be in place
- An arborist and qualified wildlife handler will assess all trees before removal.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
