

Vegetation removal, access road construction and utility relocation Marchbanks Road bridge, Broadford 1 to 31 August 2025

**JOHN
HOLLAND**

John Holland will continue approved tree and vegetation removal, utility relocation and construction of access roads around the Marchbanks Road bridge site in August.

Work being done

- Approved tree and vegetation removal
- Embankment and drainage works
- Preparatory works for crane pad construction
- Construction of access roads from the Hume Freeway onramp
- Service investigations, surveys and utility relocations.

What can I expect?

- **Works 7am-6pm Monday to Friday and 7am-1pm Saturdays**
- **Round-the-clock works will occur intermittently throughout August.** Impacted residents will be notified
- Traffic management including lane closures with single lane shuttle flow and reduced speed limits
- Nearby residents may experience some noise and vibration.

Machinery used

Non-destructive digging truck, small truck mounted drill rig, excavators, dozers, rollers, workers using hand tools and survey equipment, traffic management equipment and signage.

How we're managing impacts

- Traffic management and reduced road speeds
- Environmental controls in place for noise, dust and vibration

- An arborist and qualified wildlife handler will assess all trees before removal.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.

For enquiries, phone 1800 732 761, email inlandrailvic@inlandrail.com.au or visit our pop-up on Wednesdays between 10am-1pm.

Thank you for your patience and cooperation while we carry out these works.
