

# Site establishment and vegetation removal Hume Freeway bridge, Seymour 1 to 31 August 2025

---

**JOHN  
HOLLAND**

John Holland will undertake utility relocations, vegetation removal and access track upgrades in preparation for upcoming rail works to lower the tracks under the Hume Freeway bridge at Seymour.

## Work being done

- Relocation of utility and signalling services
- Access track upgrades
- Approved tree and vegetation trimming or removal for site access
- Delivery of construction materials.

## What can I expect?

- **Works 7am-6pm Monday to Friday and 7am-1pm Saturdays**
- Nearby residents may experience some noise and additional construction workers and vehicles in the area.

## How we are managing impacts

- Traffic management and reduced speeds
- An arborist will assess all trees before removal
- All areas will be inspected by a qualified wildlife handler for wildlife before tree removal works commence. If fauna is encountered, works will cease until a wildlife handler has safely relocated the animal.

## Machinery used

Compaction roller, excavators, tippers, elevated work platforms, woodchipper, trucks and support vehicles and workers with hand tools.

## Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur impacted residents will be notified.

For any concerns or enquiries phone 1800 732 761 or email [inlandrailvic@inlandrail.com.au](mailto:inlandrailvic@inlandrail.com.au).

**Thank you for your patience and cooperation  
while we carry out these works.**
