

Traffic changes and utility works Wandong 1 to 31 August 2025

**JOHN
HOLLAND**

John Holland will undertake road realignment and utility relocation works in Wandong in preparation for the construction of the new bridge. These works require long-term traffic management.

Work being done

- Installation of concrete barriers alongside Broadford-Wandong Road
- Construction of piling pads, pavement and drainage works
- Implementation of long-term shuttle flow on Epping-Kilmore Road
- Service investigations, surveys and utility relocation
- Approved vegetation removal.

What can I expect?

- **Works 7am-6pm Monday to Friday and 7am-1pm Saturdays**
- **Round-the-clock and night works will occur intermittently throughout August.** Impacted residents will be notified
- Long-term temporary shuttle flow and traffic management will be in place.
- Traffic management and reduced road speeds
- Nearby residents may experience some noise and vibration.

Machinery used

Non-destructive digging truck, small truck mounted drill rigs, excavators, asphalt paver, tree grinder, tipper trucks, cranes, compaction rollers, loaders, graders, concrete trucks, workers using hand tools, survey equipment and traffic management equipment.

How we're managing impacts

- Traffic management and reduced road speeds
- Access will be maintained to all properties

- Works within Pickett Walk will be carefully managed with no significant vegetation impacts expected
- Environmental controls will be in place
- An arborist and qualified wildlife handler will assess all trees before removal.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur impacted residents will be notified.
