

Station pedestrian underpass and precinct works (including night works)

Benalla

1 to 30 September 2025

Updated night work dates

John Holland will continue works within the Benalla Station Precinct area with round-the-clock works from 11 - 22 September.

Work being done

- Construction of the new pedestrian underpass on the Railway Place side of the rail line
- Utility relocations and connections
- Construction and formation of rail track
- Construction of a rail access track off Ackerly Avenue
- Approved vegetation removal
- Delivery of construction materials.

What can I expect?

- **Works 7am-6pm Monday to Friday and 7am-1pm Saturdays**
- **Round-the-clock works Thursday 11 September to Monday 22 September**
These works are expected to generate low to medium levels of noise with some high levels of noise at times. Residents close to night works will be contacted directly
- Traffic management will be in place, with reduced speed limits and shuttle flow when required
- Nearby residents may experience some noise and vibration and can expect some additional construction workers and vehicles in the area.

Machinery used

Non-destructive digging truck, piling rig, excavators, front-end loader, grader, cranes, tippers, earthmoving plant, compaction rollers, elevated work platforms, trucks, light towers and support vehicles.

How we're managing impacts

- Pedestrian and vehicle access to station maintained from Mackellar Street
- Traffic management and reduced road speeds
- Wayfinding signage along pedestrian detour
- Light towers will be directed away from residential properties
- Environmental controls will be in place.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur impacted residents will be notified.

Talk to the team
