

Vehicle and pedestrian underpass and station precinct works Euroa 1 to 30 September 2025

**JOHN
HOLLAND**

John Holland will continue construction of the new vehicle underpass and Euroa Station Precinct upgrades in September.

Work being done

- Piling and formwork for the new Handbury Street pedestrian underpass, new station platform, lift shafts and Anderson Street vehicle underpass on the northern side of the rail corridor
- Construction and formation for new western rail track
- Construction of culvert and drainage
- Construction of new rail bridge at the northern end of project site
- Underground utility relocation in Anderson, Frost and Handbury streets
- Approved vegetation removal
- Deliveries of construction materials.

What can I expect?

- **Works 7am-6pm Monday to Friday and 7am-1pm Saturdays**
- A small section of Frost Street will be closed for approximately one week for utility relocation.
Resident access will be maintained
- Continued closure of Frost Street underpass with a pedestrian detour via the station platform
- All train services via the eastern platform (Platform 1)
- Nearby residents may experience some noise and vibration.

How we're managing impacts

- Traffic management and reduced road speeds
- Wayfinding signage along pedestrian detour

- Environmental controls will be in place.

Machinery used

Cranes, piling rigs, excavators, trucks, non-destructive digging trucks, earthmoving plant, compaction roller, cranes, jack hammers and workers using hand tools and survey equipment.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur impacted residents will be notified.

Talk to the team

For any concerns, enquiries or to book an appointment to talk to one of our team about these works phone 1800 732 761, email inlandrailvic@inlandrail.com.au or visit our shopfront at 46-50 Binney Street, Tuesdays, 10am-2pm.
