

# Utility, signalling and excavation works

## Hume Freeway bridge, Seymour

### 1 to 30 September 2025

---

**JOHN  
HOLLAND**

John Holland will continue utility relocation and signalling works and begin excavations in preparations for lowering the tracks under the Hume Freeway bridge at Seymour.

**Thank you for your patience and cooperation while we carry out these works.**

#### Work being done

- Relocation of utility and signalling services
- Upgrades to access track
- Excavation for future track relocation
- Installation of delineation fencing and hardstands
- Approved vegetation trimming or removal
- Delivery of construction materials.

#### What can I expect?

- **Works 7am-6pm Monday to Friday and 7am-1pm Saturdays**
- **Extended work hours 7am-7pm Saturday 13 to Sunday 14 September**
- Nearby residents may experience some noise and additional construction workers and vehicles in the area.

#### How we are managing impacts

- Traffic management and reduced speeds
- Environmental controls will be in place.

#### Machinery used

Compaction roller, excavators, tippers, elevated work platforms, woodchipper, trucks and support vehicles and workers with hand tools.

#### Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur impacted residents will be notified.

For any concerns or enquiries phone 1800 732 761 or email [inlandrailvic@inlandrail.com.au](mailto:inlandrailvic@inlandrail.com.au).
