What can I expect?

Properties near the sites can expect to hear:

- Minor excavation activities
- Loading, unloading or moving equipment and materials

Machinery Used

Equipment used for work includes but is not limited to:

- Hand tools for excavation and compaction
- Concrete Agitators

How we're managing impacts

- Works programmed to best minimise noise impacts.
- Use of non-tonal reversing alarms on all equipment and turning off equipment when not in use.
- Regular maintenance of plant and equipment to reduce emissions.
- Instructing workers to keep noise to a minimum and being respectful of our neighbours, including parking away from houses.
- Works will be monitored to ensure compliance with Project Approval and Heritage Approval Conditions.
