

Utility relocations and station precinct works

Euroa

1 to 31 October 2025

John Holland will relocate utility services and continue construction for the Euroa Station Precinct upgrades during October.

Work being done

- Excavations, piling and formwork for the new Handbury Street pedestrian underpass, new station platform, lift shafts and Anderson Street vehicle underpass on the Elliot Street side of the rail track
- Construction and formation of the new western rail track and new western platform
- Culvert and drainage works
- Construction of new rail bridge
- Underground utility relocation in Anderson, Frost and Handbury streets with directly impacted residents to be notified
- Installation of new electrical poles on Elliot and De Boos streets
- Approved vegetation removal
- Delivery of construction materials.

What can I expect?

- **Works 7am-7pm Monday to Friday and 7am-1pm Saturdays**
- **Extended works 4am-8pm Monday 27 October**
- Road closures in small sections during utility relocation works in Anderson, Hinton, Frost and Elliot streets. Residential access will be maintained
- Continued closure of Frost Street underpass with a pedestrian detour via the station platform
- All train services via the eastern platform (Platform 1)
- Nearby residents may experience some noise and vibration.

How we're managing impacts

- Traffic management and reduced road speeds
- Wayfinding signage along pedestrian detour
- Environmental controls will be in place.

Machinery used

Cranes, piling rigs, excavators, trucks, non-destructive digging trucks, earthmoving plant, compaction roller, under bore machine, jack hammers and workers using hand tools and survey equipment.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
