

Bridge works and temporary bridge closure

Hamilton Street, Broadford 1 to 31 October 2025

John Holland will continue works to construct the new bridge at Hamilton Street during October. There will be a temporary bridge closure during this time.

Work being done

- Hamilton Street bridge beams will be lifted into position by a 650-tonne crane positioned at the Ferguson Street works site late October
- Overnight delivery and storage of the bridge beams requiring short-term traffic management and crane operations, between Wednesday 1 October and Friday 3 October
- Concrete, paving and earthworks
- Storage of materials and equipment near the Broadford Railway Station
- Approved vegetation removal within works area
- Service investigations, surveys, utility relocations and drainage.

What can I expect?

- **Works 7am-6pm Monday to Friday and 7am-1pm Saturdays**
- **The Hamilton Street bridge will be closed from 4am Monday 27 October until 4am Tuesday 28 October**, while works are undertaken to install the bridge beams. A detour will be in place via Sunday Creek Road or the Hume Freeway. Please allow an additional 20-minute travel time or 30 minutes during peak times
- Outside of the 24-hour closure, long-term temporary traffic changes will continue, including single lane shuttle flow over the new section of Hamilton Street bridge
- Residents impacted by out-of-hours work will be notified ahead of time

- Residents impacted by interruptions to property services from utility upgrade works will be notified by the service provider
- Nearby residents may experience some noise and vibration.

Machinery used

Non-destructive digging truck, excavators, tipper trucks, cranes, piling rigs, compaction rollers, loaders, graders, concrete trucks, delivery truck and trailers, rollers, hi-rail dump trucks, workers using hand tools, light towers, traffic management equipment, and survey equipment.

How we're managing impacts

- Traffic management and reduced road speeds
- Wayfinding signage along vehicle and pedestrian detours
- Environmental controls will be in place
- Additional details of works will be provided in October.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
