

NSW/Qld Border to Gowrie

Field investigations

September – October 2025

Work being done

Our contractors will complete various surveys and investigations in the Millmerran area during September and October to inform ongoing Inland Rail design refinements.

Activities may include:

- Ecological, flora and fauna surveys
- Cultural Heritage surveys
- Road surveys.

What can I expect?

- Surveyors walking to and conducting surveys at various locations on designated properties between 6am and 6pm
- Light vehicles travelling and frequently stopping along the roadside and local roads.

Machinery used

Machinery used on site will include:

- Light vehicles - 4WDs

How we're managing impacts

- Regular contact with landowners to provide progress updates and to confirm land access requirements
- Vehicles entering or leaving private property will be cleaned and inspected
- Notification of the surveys will be provided to neighbouring landowners for awareness.

Cancellation of surveys

Surveys can sometimes be cancelled or postponed at short notice due to weather or other factors.

We will let landowners know in advance if work is rescheduled.

Get in contact with our Stakeholder Engagement team with any questions you may have about the NSW/Qld Border to Gowrie section via email

inlandrailqld@inlandrail.com.au or phone on 1800 732 761.

Thank you for your patience and cooperation while we carry out these surveys.
