

Round-the-clock works and bridge construction

Hamilton Street, Broadford

1 to 30 November 2025

John Holland will continue works to construct the new bridge at Hamilton Street in November. There will be round-the-clock works and changes to traffic conditions during this time.

Work being done

- Pavement and bridge works
- Construction of footbridge decks and walls
- Excavation, drainage and installation of track monitoring tools within the rail corridor
- Removal of materials and fence reinstatement near the Broadford Railway Station
- Concrete, paving and earthworks
- Utility and drainage works
- Approved vegetation removal.

What can I expect?

- **Works 7am-6pm Monday to Friday and 7am-1pm Saturdays**
- **Round-the-clock works 7pm Sunday 16 November to 6pm Wednesday 10 December**
Additional details will be provided to nearby residents throughout November. These works will be undertaken during a V/Line possession when the Shepparton Line Upgrade works are undertaken. For changes to V/Line services visit vline.com.au
- Continued single-lane shuttle flow over the new section of Hamilton Street bridge
- Residents impacted by interruptions to property services from utility upgrade works will be notified by the service provider
- Nearby residents may experience some noise and vibration.

Machinery used

Trucks, excavators, cranes, piling rigs, rollers, loaders, graders and light towers. Workers using hand tools and traffic management equipment.

How we're managing impacts

- Traffic management and reduced road speeds
- Wayfinding signage along detour routes
- Environmental controls in place.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
