

# Track lowering preparation works Hume Freeway, Tallarook 15 October to 15 November 2025

---

**JOHN  
HOLLAND**

John Holland will begin underground utility and signalling relocations, drainage and excavation works in preparation for the upcoming track lowering under the Hume Freeway bridge at Tallarook.

## Work being done

- Site works including drainage, investigations and utility and signalling relocation
- Piling for new retaining walls and earthworks
- Construction of access tracks and widening of rail corridor embankments
- Approved vegetation removal
- Delivery of rail and construction materials
- Minor works on bridge.

## What can I expect?

- **Works 7am-6pm Monday to Saturday**
- **Extended work hours 7am-6pm Sunday 26 October**
- **Extended work hours 1am-8pm Monday 27 October**
- Traffic management and reduced speeds on Hume Freeway bridge, Monday 27 and Tuesday 28 October
- Rail corridor access via the level crossing at Sharps and Taylors Road, Tallarook
- Increased trucks using Sanctuary Road and Gairns Lane
- Nearby residents may hear some noise and can expect additional construction workers and vehicles in the area.

## How we are managing impacts

- Traffic management and reduced road speeds
- An arborist will assess all trees before removal
- Environmental controls in place.

## Machinery used

Compaction roller, excavators, tippers, non-destructive digging truck, hi-rail plant, elevated work platforms, piling plant, cranes, woodchipper, concrete trucks, boring machine, trucks and support vehicles and workers with hand tools.

## Cancellation of works

Works can sometimes be cancelled at short notice. Should this occur, works will be rescheduled.
