

Temporary closure of Rail Street and powerline works Wandong 13 November 2025

**JOHN
HOLLAND**

In preparation for construction of the new bridge in Wandong, works will be undertaken to replace existing power poles near the Broadford-Wandong Road bridge. There will be a temporary road closure of a section of Rail Street and changes to traffic conditions during these works.

Work being done

- Replacement of existing power poles
- Non-destructive digging.

What can I expect?

- **A section of Rail Street closed, 9.30am-2.30pm, Thursday 13 November** during power pole and powerline works
- Either side of this closure, short-term temporary single lane shuttle flow will be in place along Rail Street between 7am-9.30am and 2.30pm-6pm
- A detour via the Heathcote Junction level crossing during the closure
- Residents affected by power outages will be notified by the service provider
- Vehicle and pedestrian access to properties on Rail Street will be maintained
- Nearby residents may notice some noise and vibration
- Please allow for extra travel time as delays are expected.

Machinery used

Trucks, excavators, cranes and elevated work platforms. Workers using hand tools and traffic management equipment.

How we're managing impacts

- Traffic management and reduced road speeds
- Environmental controls will be in place.

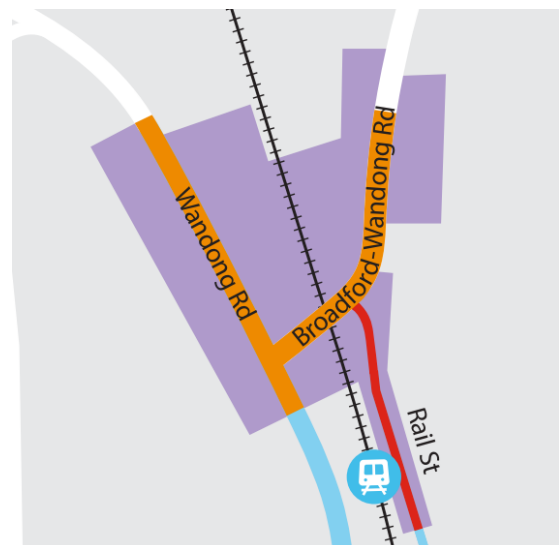

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.

For any concerns phone 1800 732 761 or email inlandrailvic@inlandrail.com.au

If you would like to be added to our email distribution list, please contact B2ACommunity@jhq.com.au

Thank you for your patience and cooperation while we carry out these works.
