Please see map over page for more detail

- Traffic management with reduced speed limits and temporary single-lane shuttle flow or closures, when required

- Nearby residents may experience some noise and vibration.

Machinery used

Trucks, excavators, front-end loader, grader, cranes, tippers, earthmoving plant, rollers, elevated work platforms, woodchipper and support vehicles. Workers using hand tools and traffic management equipment.

How we're managing impacts

- Pedestrian and vehicle access to station maintained from Mackellar Street
- Temporary bus pick up and drop off zones set up on Mackellar Street from 24 November
- Traffic management and reduced road speeds
- Wayfinding signage along pedestrian detours
- Environmental controls will be in place.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
