

Construction update

Albury

February 2026

Our contractor Martinus is continuing construction works across various sites in Albury during **February 2026** between standard construction hours of **7 am** and **6 pm Monday to Saturday**, subject to weather and ground conditions.

Work being done

- Ground drilling for concrete piling
- Drainage installation
- Signalling
- Earthworks and excavations
- Utility investigations using a non-destructive digging machine (NDD)
- Vegetation clearing and removal
- Surveying and environmental sampling
- Construction material and equipment deliveries.

What can I expect?

- Heavy vehicles operating at several work sites
- Reduced speed limit of 40km/h near works, where required
- Nearby residents may experience some noise and vibration
- On-site traffic management, where required. Please follow all instructions and signage.

Machinery used

Equipment includes but is not limited to hand tools, power tools, piling machine, semi-trucks, excavators, small truck mounted drilling rig, vacuum truck, water carts, survey equipment, heavy and light vehicles.

How we're managing impacts

- Works supervised by a Heritage Consultant to ensure no damage to items of cultural

and heritage significance within the Albury Station Precinct

- Works scheduled to minimise noise impacts where possible
- Traffic controls to ensure vehicle and pedestrian safety
- Water carts on-site to dampen the ground and help manage dust
- Non-tonal reversing alarms used on all equipment, and equipment will be turned off when not in use
- Workers will be instructed to keep noise to a minimum and show respect to our neighbours
- The works will be monitored to ensure compliance with Project Approval Conditions.

Cancellation of works

Work may be cancelled at short notice due to weather and other factors. If this happens, work will be rescheduled and affected neighbours will be notified in advance.
