

Construction Update

Uranquinty

February - March 2026

Our contractor Martinus is continuing construction works in Uranquinty from **February to March 2026** between standard construction hours of **7 am and 6 pm Monday to Saturday**, subject to weather and ground conditions.

Possession Work

Martinus will also undertake an extended track possession at Uranquinty Yard between **6 am on Saturday 28 February 2026 and 10 pm on Sunday 1 March 2026**.

These works will be continuous, including night work during this period.

Track possessions are critical to the project, as no trains will run during this period. This helps us complete our work faster and minimise disruption to the community.

Work being done

- Relocating signalling infrastructure
- Environmental monitoring and ground surveys
- Utility investigations using a non-destructive digging machine (NDD)
- Testing signalling function.

What can I expect?

- Lane closure at the Yarragundry Street Level Crossing from **Thursday 26 February to Monday 2 March 2026**. Please allow extra travel time during this period and follow all instructions and signage
- Heavy vehicles operating at several work sites
- Reduced speed limit of 40km/h near works, where required

- Nearby residents may experience some noise and vibration.

Machinery used

Equipment includes but is not limited to hand tools, excavator, plate compactor, NDD truck, water carts, survey and traffic management, heavy and light vehicles.

How we're managing impacts

- Works scheduled to minimise noise impacts where possible
- Traffic controls to ensure vehicle and pedestrian safety
- Water carts on-site to dampen the ground and help manage dust
- Non-tonal reversing alarms will be used on all equipment, and equipment will be switched off when not in use
- Workers will be instructed to keep noise to a minimum and show respect to our neighbours
- The works will be monitored to ensure compliance with Project Approval Conditions.

Cancellation of works

Work may be cancelled at short notice due to weather and other factors. If this happens, work will be rescheduled and affected neighbours will be notified in advance.
