

Site Investigations 3 February – 7 February 2026 Kenilworth Street, Albury

Our contractor Martinus is continuing site investigation at the end of Kenilworth Street, Albury from **3 February** to **7 February 2026** during standard construction hours of **7 am** to **6 pm**.

What can I expect?

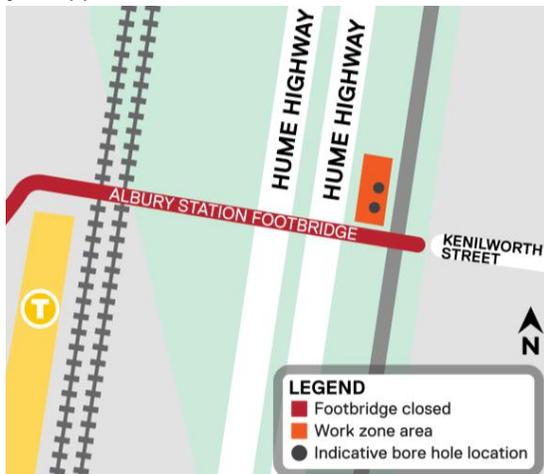

- Utility investigations using a non-destructive digging machine (NDD)
- Ground drilling and borehole.

Machinery used

Equipment includes but is not limited to, hand tools, truck-mounted drilling rig, vacuum truck, light vehicles, traffic management and survey equipment.

How we are managing impacts

- Traffic controls to ensure vehicle and pedestrian safety
- Access through the Thurgoona Trail will be maintained during this work
- The works will be monitored to ensure compliance with Project Approval Conditions.
