

# Utility relocation and station precinct works

## Benalla

### 4 to 31 March 2026

---

John Holland will continue utility relocation and construction of the Benalla Station Precinct upgrades during March.

#### Work being done

- Construction of the new western platform and the access ramps and stairs (Railway Place side)
- Construction of new rail track and drainage
- Relocation of utilities in Railway Place, Mackellar, Nunn and Maginness streets, and within the station precinct
- Construction of rail access tracks
- Approved vegetation removal.

#### What can I expect?

- **Round-the-clock works within the station precinct between 6am Monday and 6pm Friday, as required**
- **Extended hours between 6am-6pm Saturday and Sunday**
- Traffic management, single lane shuttle flow, temporary detours and reduced road speeds
- Residents impacted by utility outages will be notified by their service provider
- Nearby residents may experience some noise and vibration.

#### Machinery used

Trucks, excavators, front-end loader, grader, cranes, tippers, earthmoving equipment, rollers, elevated work platforms, woodchipper and support vehicles. Workers using hand tools, traffic management and survey equipment.

#### How we're managing impacts

- Pedestrian and vehicle access to Benalla Station Precinct is maintained from Mackellar Street
- Wayfinding signage along detours
- Environmental controls in place.

#### Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
