

Track lowering preparation works Hume Freeway bridge, Seymour 3 to 31 March 2026

**JOHN
HOLLAND**

John Holland will continue track and piling works during March in preparation for the upcoming track lowering works under the Hume Freeway bridge at Seymour.

Work being done

- Construction of deflection and protection walls
- Installation of drainage
- Approved vegetation removal.

What can I expect?

- **Works 7am-6pm Monday to Friday and 7am-6pm Saturdays**
- Additional trucks along Seymour-Avenel Road and accessing the rail corridor near Kookaburra Lane
- Nearby residents may hear some noise and can expect additional construction workers and vehicles in the area.

How we are managing impacts

- Traffic management, reduced road speeds and single lane shuttle flow where required
- An arborist will assess all trees before removal
- Environmental controls in place.

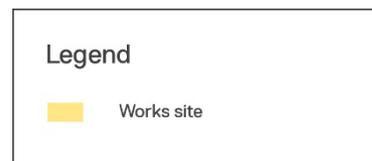

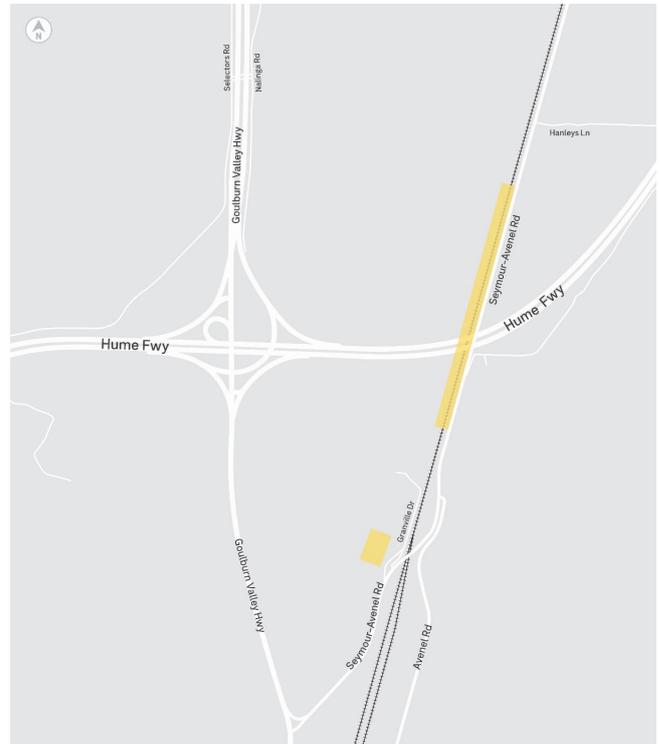

Machinery used

Excavators, tippers, non-destructive digging truck, hi-rail plant, cranes, elevated work platforms, woodchipper, concrete trucks, and support vehicles. Workers using hand tools, traffic management and survey equipment.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified. For any concerns or enquiries phone 1800 732 761 or email inlandrailvic@inlandrail.com.au.

Thank you for your patience and cooperation while we carry out these works.
