

# Bridge and pavement works

## Short Street bridge, Broadford

### 3 to 31 March 2026

---

John Holland will continue works to construct the new Short Street bridge during March.

#### Work being done

- Asphaltting, pavement, and line marking roadworks
- Construction of retaining wall and piling pads
- Relocation of utilities
- Pavement, drainage and earthworks at the intersection of Rupert and Sutherland streets
- Deliveries of rail equipment in Last and Jamieson Streets.

#### What can I expect?

- Works 7am-6pm Monday to Friday and 7am-1pm Saturdays
- Nearby residents likely to be impacted by out-of-hours works, or restricted access to property, will be notified ahead of time
- Access to Short Street from Catherine Court will remain closed until mid-2026, with detours via Burges Lane, Cameron Parade and Mia Mia Road
- Additional construction vehicles accessing the rail corridor via Short, Rupert, Last and Jamieson streets and the Broadford Bowls Club
- Localised pedestrian detours
- Nearby residents may experience some noise and vibration.

#### Machinery used

Trucks, excavators, piling rigs, rollers, elevated work platforms, loaders, graders, concrete pump, asphalt paver, telehandler and cranes. Workers using hand tools and traffic management equipment.

#### How we're managing impacts

- Traffic management and reduced road speeds

- Wayfinding signage along detour routes
- Environmental controls in place.

#### Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
