

Station precinct and level crossing works

Benalla

1 to 30 April 2026

John Holland will continue construction of the Benalla Station Precinct upgrades and commence upgrades to the Nunn Street level crossing during April.

Work being done

- Construction of the new western platform, access ramps and stairs (Railway Place side)
- Construction of the new pedestrian underpass
- Construction of new rail track and drainage
- Upgrades to the Nunn Street level crossing infrastructure (including pedestrian pathway)
- Remove redundant eastern track (Mackellar Street side)
- Heritage investigations in station carpark
- Relocation of utilities in Railway Place, Mackellar, Nunn and Maginness streets and within the station precinct
- Construction of rail access tracks
- Approved vegetation removal.

What can I expect?

- **Round-the-clock works within the station precinct as required**
- Nearby residents directly impacted by out-of-hours works will be notified ahead of time
- From Thursday 9 April, Benalla Station carpark will be partially closed with limited parking and V/Line bus pick-up and drop-off areas relocated to Mackellar Street
- From Monday 20 April to Monday 11 May the Nunn Street level crossing will be closed with a vehicle detour via Mitchell Street

An accessible taxi shuttle will be available for pedestrians during the Nunn Street level crossing closure

- Traffic management, single lane shuttle flow, temporary detours and reduced road speeds
- Residents impacted by utility outages will be notified by their service provider
- Nearby residents may experience some noise and vibration.

From Monday 20 April

- Coaches will replace trains for all passenger services at Benalla
- The Benalla station platform, carpark and access road will be closed with designated accessible and on-street parking along Carrier Street
- Pedestrian access to the station from Mackellar Street will be maintained

Machinery used

Trucks, excavators, front-end loader, grader, cranes, tippers, earthmoving equipment, rollers, elevated work platforms, jack hammers, hi-rail plant, tamper machines, woodchipper and support vehicles.

How we're managing impacts

- Wayfinding signage along detours
- Environmental controls in place.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.

Talk to the team
