

# Anderson Street vehicle underpass and station precinct works

**JOHN  
HOLLAND**

## Euroa

1 to 30 April 2026

---

John Holland will continue construction of the Euroa Station Precinct upgrades and construction of the Anderson Street vehicle underpass in April. There will be changes to the Railway Street carpark and station access during this time.

### Work being done

- Excavation, formwork and concreting for the new station pedestrian underpass
- Construction of new Anderson Street rail bridge and vehicle underpass
- Construction of the two new station platforms
- Culvert and drainage works
- Removal of old Anderson Street bridge foundations
- Replacing electrical poles in Anderson Street
- Removal of redundant east track and platform (Railway Street side)
- Track formation and scrubbing
- Approved vegetation removal.

### What can I expect?

- **Round-the-clock works within the station precinct between 6am Monday and 6pm Sunday as required**
- Increased truck movements to and from site
- Nearby residents may experience some noise and vibration.

### From Monday 13 April

- Coaches will replace trains for all passenger services at Euroa
- The Euroa platform and Railway Street carpark will be closed. Public parking will be available at the Euroa Hotel carpark, off McGuinness Street

- The Railway Street bus stop will be relocated to McGuinness Street for both V/Line and Public Transport services.

### How we're managing impacts

- Traffic management and reduced road speeds
- Wayfinding signage along detours
- Environmental controls in place.

### Machinery used

Cranes, excavators, trucks, earthmoving plant, roller, under-bore machine, concrete trucks, jack hammers, hi-rail plant and tamper machines. Workers using hand tools, traffic management and survey equipment.

### Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
