

Three month lookahead

Albury

May – July 2026

Our contractor Martinus is continuing construction works across various sites in Albury from **May to July 2026**.

Hours of work

During standard construction hours of **7am to 6pm, Monday to Saturday**:

- Murray River Bridge, Albury Yard, Riverina Highway and Kenilworth Street, Albury

During revised standard construction hours of **7am to 6pm, Monday to Sunday** (including public holidays):

- Billy Hughes Bridge

If the work occurs outside these construction hours, impacted neighbours will be notified in advance.

Possession Work

Martinus will also undertake works at various Albury sites during an extended track possession between **12am on Saturday 2 May and 10pm on Tuesday 5 May 2026**.

These works will be continuous, including night work during this period.

Track possessions are critical to the project, as no trains will run during this period. This helps us complete our work faster and minimise disruption to the community.

Work being done

- Modifying the top chords on the Murray River Bridge
- Installing walkways and refuge bays within the rail corridor at Murray River Bridge
- Drainage installation
- Installing concrete formwork
- Ground drilling for concrete piling

- Signalling and track-related works
- Earthworks and ground excavations
- Grubbing and vegetation removal, where required
- Operation of the temporary site compound
- Environmental monitoring and ground surveys
- Construction material and equipment deliveries

What can I expect?

- Heavy vehicles operating at several work sites
- The Albury-Thurgoona trail at the end of Kenilworth Street will be partially closed with temporary diversions in place during construction. Safe access for all users around the work area will be maintained at all times
- Reduced speed limit of 40km/h near works, where required
- Nearby residents may experience some noise and vibration
- On-site traffic management, where required. Please follow all instructions and signage

Machinery used

Equipment includes but is not limited to hand tools, mobile crane, EWP (elevated work platform), hi-rail machinery, oxy cutter, hydraulic hammer, concrete pump, concrete trucks, generators, plate compactor, drum rollers, semi-trucks, lightning towers, loaders, vibrating rollers, excavators, water carts, survey equipment, skid steer, power washer, heavy and light vehicles.

How we're managing impacts

- Works scheduled to minimise noise impacts where possible
- Access for vessels on the Murray River will be maintained throughout the work

Three month lookahead

Albury

May – July 2026

- Water carts on-site to dampen the ground and help manage dust
- Non-tonal reversing alarms will be used on all equipment, and equipment will be switched off when not in use
- Traffic controls, where required, to ensure vehicle and pedestrian safety
- Workers will be instructed to keep noise to a minimum and show respect to our neighbours
- The works will be monitored to ensure compliance with Project Approval Conditions and adherence to the requirements as outlined in the Environmental Protection Licence (EPL 21984).

Cancellation of works

Work may be cancelled at short notice due to weather and other factors. If this happens, work will be rescheduled and affected neighbours will be notified in advance.

For any complaints, feedback, or enquiries please get in touch with us at **1800 732 761** or **email inlandrailnsw@inlandrail.com.au**.

Information about Inland Rail is available at <https://inlandrail.com.au/>

Thank you for your continued patience and cooperation while we carry out these works.
