

# Overnight bridge closures Short Street, Broadford 21 to 24 April 2026

John Holland will continue works to construct the new Short Street bridge in April. The Short Street bridge will require temporary overnight closures to prepare the bridge for reinstating temporary two-way traffic, ahead of the upcoming Marchbanks Road and High Street closures.

## Work being done

- Bridge abutment and roadworks
- Movement and reinstatement of barriers
- Earthworks.

## What can I expect?

- **Overnight bridge closures from 8pm-5am Tuesday 21 April to Friday 24 April**

*A detour will be in place via Sunday Creek Road or the Hume Freeway. Please follow all traffic management and detour signage. The bridge will remain open with single-lane shuttle flow during the day*

- **Round-the-clock works 7am Tuesday 21 April to 6pm Friday 24 April**
- From Friday 24 April two-way traffic will temporarily be reinstated over the Short Street bridge
- From Wednesday 6 May temporary single-lane shuttle flow will be in place over the Short Street bridge until further bridge works are completed
- Access to Short Street from Catherine Court will remain closed until mid-2026, with detours via Burges Lane, Cameron Parade and Mia Mia Road
- Localised pedestrian detours
- Nearby residents may experience some noise, lighting from light towers and vibration.

## Machinery used

Trucks, trailers, excavators, rollers, elevated work platforms, loaders, concrete pump, and telehandler. Workers using hand tools and traffic management equipment.

## How we're managing impacts

- Traffic management and reduced road speeds
- Wayfinding signage along detour routes
- Environmental controls in place.

## Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
