

Station precinct and level crossing works

Benalla

1 to 31 May 2026

John Holland will continue construction of the Benalla Station Precinct upgrades and complete works to the Nunn Street level crossing during May.

Work being done

- Construction of the new western platform, access ramps and stairs (Railway Place side)
- Construction of the new pedestrian underpass
- Piling within the V/Line carpark
- Installation of underground station services
- Construction of new rail track and drainage and removal of redundant eastern track (Mackellar Street side)
- Upgrades to the Nunn Street level crossing infrastructure (including pedestrian pathway)
- Installation of new power pole and station connections on Mackellar Street
- Approved vegetation removal.

What can I expect?

- **Round-the-clock works within the station precinct and Nunn Street level crossing until Monday 11 May**
Increased construction noise and light from lighting towers during this period
- **Works 6am-6pm Monday to Friday and extended works 6am-6pm Saturdays from 12 to 31 May**
- Heavy vehicles travelling round-the-clock between project site, Railway Place, Bradley Court and Mackellar Street until Tuesday 5 May
- Nunn Street level crossing closed until Tuesday 19 May with a vehicle detour via Mitchell Street

An accessible taxi shuttle service is available for pedestrians during the Nunn Street level crossing closure

- Traffic management, single-lane shuttle flow, temporary detours and reduced road speeds
- Residents impacted by utility outages will be notified by their service provider
- Nearby residents may experience some noise and vibration
- Coaches replace trains for all V/Line passenger services at Benalla
- The Benalla station platform, carpark and access road is closed with designated accessible and on-street parking along Carrier Street.
- Pedestrian access to the station from Mackellar Street will be maintained.

Machinery used

Trucks, excavators, front-end loader, grader, cranes, tippers, earthmoving equipment, concrete trucks, rollers, elevated work platforms, jack hammers, hi-rail plant, tamper machines, woodchipper and support vehicles.

How we're managing impacts

- Wayfinding signage along detours
- Environmental controls in place.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
