

Demolition of station access road and precinct works Benalla 1 to 30 June 2026

John Holland will continue construction of the Benalla Station Precinct upgrades during June. These works will require short-term temporary traffic changes during this time.

Work being done

- Demolition of redundant station platform, station access road and bridge
- Construction of the new western platform, access ramps and stairs (Railway Place side)
- Construction of the new pedestrian underpass and lift shafts
- Construction of new station carpark and retention basin
- Installation of new street lighting and underground station services
- Approved vegetation removal.

What can I expect?

- **Extended works 6am-6pm Monday to Saturday**
- Temporary single-lane shuttle flow on Mackellar Street, between Carrier and Byrne streets, during demolition works
- The Benalla station platform, carpark and access road are closed with designated accessible and on-street parking along Carrier Street
- Coaches replace trains for all passenger train services at Benalla
- Pedestrian access to the station from Mackellar Street will be maintained
- Nearby residents may experience some noise and vibration

Machinery used

Trucks, excavators, front-end loader, grader, cranes, tippers, earthmoving equipment, concrete trucks, rollers, elevated work platforms, jack hammers, woodchipper and support vehicles.

How we're managing impacts

- Traffic management and reduced road speeds
- Wayfinding signage along detours
- Environmental controls in place.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
