

Construction Update Billy Hughes Bridge June 2026

Our contractor Martinus is continuing construction at the Billy Hughes bridge site in Albury.

Works will occur outside the revised construction hours:

- **6pm Saturday 27 June to 7am Sunday 28 June 2026**
- **6pm Sunday 28 June to 7am Monday 29 June 2026**

These works will be continuous, including night work during this period.

Revised construction hours of 7am to 6pm, Monday to Sunday (including public holidays), will resume after the hours listed above.

Work being done

- Track-related works
- Welding and grinding rail sections
- Operation of the temporary site compound
- Environmental monitoring and ground surveys
- Construction material and equipment deliveries.

What can I expect?

- Heavy vehicles operating at this work site
- Reduced speed limit of 40km/h near the works, where required
- Nearby residents may experience some noise and vibration
- On-site traffic management, where required. Please follow all instructions and signage.

Machinery used

Equipment includes, but is not limited to, hand tools, generators, lighting towers, welding trucks and equipment, grinders, heavy and light vehicles.

How we're managing impacts

- Non-tonal reversing alarms will be used on all equipment, and equipment will be switched off when not in use
- Ongoing monitoring of noise and vibration and communication with key stakeholders and neighbours
- Water carts on-site to dampen the ground and help manage dust
- Traffic controls, where required, to ensure vehicle and pedestrian safety
- Workers will be instructed to keep noise to a minimum and show respect for our neighbours
- The works will be monitored to ensure compliance with Project Conditions of Approval (CoAs) and adherence to the requirements as outlined in the Environment Protection Licence (EPL 21984).

Cancellation of works

Work may be cancelled at short notice due to weather and other factors. If this happens, work will be rescheduled and affected neighbours will be notified in advance.
