

# Air Quality Monitoring Junee, Wagga Wagga and The Rock June 2026 – June 2027

---

Inland Rail will be conducting 12 months of air quality monitoring as part of the Albury to Illabo section of Inland Rail in New South Wales.

Results of the monitoring will be provided to the Department of Planning, Housing and Infrastructure. Works are scheduled to commence from **Monday 15 June 2026**.

## Hours of work

Works will occur during standard construction hours of 7am to 6pm Monday to Friday and 8am to 6pm on Saturday.

If works occur outside these construction hours, impacted neighbours will be notified in advance.

## Work being done

Air monitoring units will be placed in the corridor in Junee, Wagga Wagga and The Rock.

Each month the units will undergo a maintenance check from service technicians.

## What can I expect?

- Air monitoring unit sitting in corridor (pictured).
- Each unit has air conditioning that runs continuously and may produce a low humming noise.
- Service technicians accessing the corridor each month to inspect the units.

## Machinery used

Light vehicles and delivery truck.

## How we're managing impacts

Units have been placed in the corridor to minimise noise impacts for residents.

## Cancellation of works

Works can sometimes be cancelled at short notice depending on weather and other factors. Should this occur, works will be rescheduled.

Air monitoring unit
