

Construction Update Henty July to August 2026

Martinus will continue construction works in Henty from **Monday 6 July to Monday 31 August 2026**.

Hours of work

Work will occur during standard construction hours **7 am to 6 pm, Monday to Saturday**.

If the work occurs outside these construction hours, impacted neighbours will be notified in advance.

Work being done

- Signalling and gantry modification works
- Concreting and formwork
- Ground excavation
- Operation of the temporary site compound
- Environmental monitoring and ground surveys
- Construction material and equipment deliveries

What can I expect?

- Heavy vehicles operating at several work sites
- Reduced speed limit of 40km/h near works, where required
- Nearby residents may experience some noise and vibration
- On-site traffic management, where required. Please follow all instructions and signage.

Machinery used

Equipment includes but is not limited to hand tools, vacuum truck, excavator, semi-trucks, plate compactor, drum rollers, drilling rig, loaders, vibrating rollers, water carts, survey equipment, heavy and light vehicles.

How we're managing impacts

- Works are scheduled to minimise noise impacts where possible
- Water carts on-site to dampen the ground and help manage dust
- Non-tonal reversing alarms will be used on all equipment, and equipment will be switched off when not in use
- Traffic controls, where required, to ensure vehicle and pedestrian safety
- Workers will be instructed to keep noise to a minimum and show respect to our neighbours
- The works will be monitored to ensure compliance with Project Conditions of Approval (CoAs) and adherence to the requirements as outlined in the Environment Protection Licence (EPL 21984).

Cancellation of works

Work may be cancelled at short notice due to weather and other factors. If this happens, work will be rescheduled and affected neighbours will be notified in advance.
