

Railway Street and station precinct works

Euroa

1 to 30 June 2026

John Holland will continue construction of the Euroa Station Precinct upgrades and the Anderson Street vehicle underpass during June. These works will require temporary traffic changes during this time.

Work being done

- Excavation, piling, formwork and concreting for the new pedestrian and vehicle underpasses
- Construction of the two new station platforms
- Construction of the new Railway Street carpark
- Road resurfacing and kerbing works on Railway Street, between Binney and McGuinness streets
- Resurfacing, kerbing and crossover works on Elliot Street and Hinton Street
- Culvert and drainage works
- Upgrades to street lighting
- Approved vegetation removal.

What can I expect?

- **Extended works 6am-6pm Monday to Saturday**
- **Single-lane one-way traffic on Railway Street between Binney and McGuinness streets from Monday 15 June for approximately four weeks**
- Railway Street on-street parking on the station side will be permanently removed from Wednesday 10 June
Railway Street on-street parking on the Euroa Hotel side will be maintained
- Railway Street carpark is closed
Public parking is available at the Euroa Hotel carpark, off McGuinness Street
- Coaches replace all V/Line passenger services at Euroa

- Railway Street bus stop relocated to McGuinness Street for both V/Line and Public Transport services
- Nearby residents may experience some noise and vibration.

How we're managing impacts

- Traffic management and reduced road speeds
- Wayfinding signage along detours
- Environmental controls in place.
