

Carpark and station precinct works

Benalla

1 to 31 July 2026

John Holland will continue construction of the Benalla Station Precinct upgrades during July.

Work being done

- Construction of the new western platform, access ramps and stairs (Railway Place side)
- Construction of the new pedestrian underpass and lift shafts
- Demolition of the station vehicle access ramps
- Construction of the new station carpark, retention basin and drainage
- Installation of new street lighting and underground station services
- Approved vegetation removal.

What can I expect?

- **Extended works 6am-6pm Monday to Saturday**
- **Low impact overnight works within station precinct, as required**
- The Benalla Station platform, carpark and access road are closed with designated accessible and on-street parking along Carrier Street
- Coaches replace all V/Line passenger services at Benalla
- Bus stop located on Mackellar Street for V/Line and Public Transport services
Please follow all directional signage
- Pedestrian access to the station from Mackellar Street will be maintained
- Traffic management, single-lane shuttle flow, temporary detours and reduced road speeds
- Nearby residents may experience some noise and vibration.

Machinery used

Trucks, excavators, front-end loader, grader, cranes, tippers, earthmoving equipment, concrete trucks, rollers, elevated work platforms, jack hammers, woodchipper and support vehicles.

How we're managing impacts

- Traffic management and reduced road speeds
- Wayfinding signage along detours
- Environmental controls in place.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
