

Station precinct and temporary facilities works

Benalla

1 to 31 August 2026

**JOHN
HOLLAND**

John Holland will continue construction of the Benalla Station Precinct upgrades during August.

Work being done

- Construction of the new western platform, lift shafts, pedestrian underpass, access ramps and stairs (Railway Place side)
- Construction of the new station carpark
- Construction of temporary facilities (Railway Place side)
- Installation of lighting and underground services
- Approved vegetation removal.

What can I expect?

- **Extended works 6am-6pm Monday to Saturday**
- **Low impact overnight works within station precinct, as required**
- The Benalla station platform, carpark and access road are closed with designated accessible and on-street parking along Carrier Street
- Coaches replace all V/Line passenger services
- Bus stop located on Mackellar Street for V/Line and Public Transport services
Please follow all directional signage
- Pedestrian access to the station from Mackellar Street will be maintained
- Traffic management, single-lane shuttle-flow and temporary detours, as required
- Nearby residents may experience some noise and vibration.

From Monday 31 August:

- Passenger trains will resume from the new west platform which will be accessible from Railway Place via the new pedestrian underpass
- The Benalla Station will temporarily close and temporary ticketing and coach stop facilities will be available on Railway Place.

Machinery used

Trucks, excavators, front-end loader, grader, cranes, tippers, earthmoving equipment, concrete trucks, rollers, elevated work platforms, piling rigs and support vehicles.

How we're managing impacts

- Traffic management and reduced road speeds
- Wayfinding signage along detours
- Environmental controls in place.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
