

Road resurfacing and station precinct works

Euroa

1 to 30 September 2026

**JOHN
HOLLAND**

John Holland will continue construction of the Euroa Station Precinct upgrades and the Anderson Street vehicle underpass during September.

Work being done

- Excavation and reinforcement of the new Anderson Street vehicle underpass
- Construction of the new station platform and forecourt and the new Elliot Street carpark and retention basin
- Construction of new pedestrian underpasses, lift shafts and pathways
- Relocation of utilities and roadworks on Anderson and Hinton streets
- Drainage works on Railway, Elliot and Scott streets
- Upgrading signalling infrastructure at the Birkett Street level crossing
- Installation and upgrade of public lighting
- Landscaping and approved vegetation removal.

What can I expect?

- **Extended works 6am-6pm Monday to Saturday**
- **Round-the-clock works 6am Saturday 12 September to 7pm Monday 14 September at the station precinct and the Birkett Street level crossing.** These works will occur during a rail possession when the rail line is closed
- Low impact overnight works within the station precinct, as required
- Temporary short-term closures and single-lane shuttle flow on Anderson and Hinton streets, as required

Nearby residents likely to be impacted by these closures and shuttle flow will be updated with additional details ahead of time

- Nearby residents may experience some noise and vibration

From Monday 31 August:

- Passenger trains will resume from the new platform on the Railway Street side of the Euroa Station Precinct
- The new Railway Street carpark and platform will be open.

How we're managing impacts

- Traffic management and reduced road speeds
- Environmental controls in place.

Machinery used

Cranes, excavators, trucks, earthmoving plant, grader, roller, under-bore machine, jack hammers. Workers using hand tools and traffic management equipment.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
